“Second to None”

2nd District August Newsletter

I just returned from Department headquarters for DEC meeting. When I went in to sit down, I found that District 2 was seated in the front row. I received the #1 pin and green lantern to keep until the next DEC meeting. Great start for the new year for membership. Now let's keep it flowing. Department raised all quotas by 3 members, a very doable quota. We are 1911 members as of August 4 which is 33.82% of our goal quota. Let's keep up the good work.

We are still in need of a District 2nd Vice Commander. Hopefully someone will step forward. I have found it to be a very rewarding and a great experience.

I hope to see a nice turn-out of members at the district installation on Sunday, August 12 at Post 323 in St. Marys.

Dan Metzger, Commander

District 2 – Second to None
