

PR Chairman, John

The Second District just held the winter conference in Van Wert this past weekend. The sad news after 2 straight years, the district did not win the Brown Jug. That does not mean the 2023 membership program has stopped, instead we can still keep working the membership program and get our posts and district to a respectable number and be ready to win that jug next year.

I try to keep information up to date so all know where we are all the time. I also try to keep the events up to date for of you. What would make my work worth it, you all take this info to your post and share with all members. If you have info, you want posted, get it to me.

Check the calendar page, a lot going on in our District. In February the 4 Chaplains Ceremony will be held at Wapakoneta Post 330. The American Legion Oratorical contest will be held, good luck to all of the students participating.

Lets all work and play together and keep the 2nd District growing

John McJunkin

District PR Chairman
